Dora Rapalyea

This year the Salisbury Town Report is dedicated to one of longstanding service to the Town of Salisbury. On June 30, 2008 Dora retired after serving the citizens of this town for twenty-five years (1983 - 2008) as our Town Clerk.

Dora lives on Route 127 (Franklin Road) in Salisbury with her husband Dave. They have resided in Salisbury for the last 30 years.

We wish her well in her retirement and we are honored to dedicate this 2008 Town Report in the name of Dora Rapalyea.

Dora's Retirement Reception - June 30, 2008
Fun Had by All - Best Wishes Dora!!

PAST CITIZENS OF THE YEAR

2004	Jane Currier
2005	Sandra Shaw Miller
2006	Alvin E. Tanner
2007	Lou Freeman
2008	Robert "Bob" Irving

Citizen of the Year – 2008
Bob Irving

The Salisbury Old Home Day Committee selected a person who stands out as one who has been a citizen of Salisbury for 37 years and steps forward in times of need.

Robert "Bob" Irving is our Citizen of the Year. Bob and his wife, Leslie live in their home on West Salisbury Road. Owner of RH Irving Home Builders Company, Bob has built and renovated many homes, some right here in Salisbury. His interests are farming, carpentry and traveling to view different types of architecture.

He has served the town in 1971 on the waste disposal committee; served on the Regional Planning Committee for five years and was on the Planning Board from 1977 to 1980 and again 1989 to 1995. His most recent involvement came when he stepped forward to help with the Library Renovation Project. Bob took on the general contractor responsibilities and did a fine job getting everything accomplished to the Friends of the Library and Town Officials satisfaction. His high quality work, professionalism, patience and humor helped keep the library programs going without interruption.

Congratulations Bob for being Salisbury's 2008 Citizen of the Year!

WARRANT FOR THE 2009 ANNUAL TOWN MEETING

THE POLLS WILL BE OPEN FROM 1:00 PM TO 7:30 PM
ABSENTEE BALLOTS WILL BE PROCESSED AND CAST AT 3:00 PM
BUSINESS MEETING AT 7:30 PM

To the Inhabitants of the Town of Salisbury, in the County of Merrimack, in the State of New Hampshire, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in Salisbury on Tuesday, the 10th day of March, 2009 at one o'clock in the afternoon to act upon the following subjects by ballot. Polls will close for balloting no earlier than the close of the Business Meeting.

1. To choose the following Town Officers: Selectman (1 for 3 years), Town Clerk (1 for 2 years), Treasurer (1 for 1 year), Library Trustee (1 for 3 years), Trustee of the Trust Funds (1 for 3 years & 1 for 2 years), Planning Board (1 for 3 years), Cemetery Trustee (1 for 3 years,), Budget Committee (3 for 3 years), Zoning Board (1 for 3 yrs).

And to act upon the following subjects at the Business Meeting at 7:30 PM:

2. To see if the Town will vote to raise and appropriate the sum of Seventy Four Hundred Dollars ($7,400) to be added to the Reassessment of the Town Capital Reserve Fund established in 1986. (The Selectmen and Budget Committee recommend this appropriation.)

3. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars ($5,000) to be added to the Buildings and Grounds Capital Reserve Fund established in 1972 and renamed in 1992. (The Selectmen and Budget Committee recommend this appropriation.)

4. To see if the Town will vote to raise and appropriate the sum of Twenty-Five Hundred Dollars ($2,500) to be added to the Land Acquisition Capital Reserve Fund established in 1996. (The Selectmen and Budget Committee recommend this appropriation.)

5. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Four Hundred Fifty Dollars ($10,450) to build the new ring road at the Transfer Station/Recycling Center.

6. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars ($1,000) to place the Town property cards online through the Avitar assessing system.

7. To see if the Town will vote to raise and appropriate the sum of $26,800 for the Mill Brook and Little Hill projects (within the flood plain area) and to fund this appropriation by authorizing the withdrawal of this sum from the Road Maintenance Capital Reserve Fund.

8. To see if the Town will vote to raise and appropriate the sum of One Thousand Fifty Dollars ($1,050) to be deposited into the Cemetery Maintenance and Operation Trust Fund. Said funds to come from the 12/31/08 unreserved fund balance. Funds are the proceeds of the sale of four rights of interment in 2008.

9. Are you in favor of modifying the amounts for the Elderly Exemption from property tax in the Town of Salisbury, based on assessed value, for qualified taxpayers, as follows: for a person 65 years of age up to 74 years, $40,000 (instead of $20,000); for a person 75 years of age up to 79 years, $60,000 (instead of $30,000); for a person 80 years of age or older, $80,000 (instead of $40,000). To qualify, the person must have been a NH resident for at least 5 years. In addition, the taxpayer, if single, must have a net income of not more than $35,000; or, if married, a combined net income of less than $40,000; and own net assets not in excess of $ 75,000 excluding the value of the person's residence. Upon adoption, this elderly exemption modification shall be effective April 1, 2009.

10. Are you in favor of modifying the amount for the Disabled Exemption from property tax in the Town of Salisbury, based on assessed value, for qualified taxpayers as follows: exemption of $40,000 (instead of $20,000) to a person who has been a NH resident for at least 5 years and must own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least 5 years; and the taxpayer must have a net income of not more than $40,000 (instead of $20,000) or, if married, a combined net income of not more than $60,000; and own net assets not in excess of $75,000 excluding the value of the person's residence. This modification, if adopted, shall take effect April 1, 2009.

11. To see if the Town will vote to authorize the Board of Selectmen to rename the Historic District Commission (which was established by Warrant Article 18 of the 1970 Town Meeting) to the Heritage Commission.

12. To hear the reports of the Officers of the town, agents, auditors and committees appointed and pass any vote relating thereto.

13. To see if the Town will vote to raise and appropriate the sum of $1,035,086 which represents the operating budget recommended by the budget committee. This sum does not include the amounts appropriated in special or individual warrant articles in this warrant.

14. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEAL THIS 9th DAY OF FEBRUARY, 2009.

Michael Dipre, Chairman
Kathleen Doyle
Joseph Laycox
SALISBURY BOARD OF SELECTMEN

Joseph Laycox
SALISBURY BOARD OF SELECTMEN

September 17, 2008 - Board of Selectmen Meeting

Special Presentation: Plaque initiated by Budget Committee and presented by Board of Selectmen to Sandy Miller who served on the Town Budget Committee for 12 years.

Selectman Dipre read the plaque. "To Sandy Miller with fond gratitude and admiration for her years of service to the Town of Salisbury. A community is but a reflection of the sacrifices and dedication of those special people who rise to meet the challenges at hand. For so many years the Town of Salisbury has come to rely upon your graceful leadership, always knowing that you would be there. The fruits of your labor are found throughout our community today and your tireless efforts have been an inspiration to those who have had the great fortune to serve with you. May God Bless Always."

8. Line 7 times 10%	92,738.
9. Maximum Allowable Appropriations (lines 1 & 8)	1,127,824.

Line 8 is the maximum allowable increase to the Budget Committee's *Recommended budget.*

Selectmen's Report

We have several town employees who serve our town all year long and the Selectmen and town citizens are indeed fortunate to have them. Ours thanks to Administrative Assistant Margaret Warren, Kathie Downes our Municipal Office Assistant (Secretary) and John Herbert our bookkeeper. April Rollins is the Planning/Zoning Office Assistant as well as helping in the office of Selectmen with clerical functions. Ed Sawyer and Steve Wheeler keep the Transfer Station running smoothly. We are in the process of reviewing applications for the vacant custodian position.

Dora Rapalyea retired as Town Clerk June 30, 2008 and Lisa Campbell was appointed to fill out the remainder of the 2008 year and has done a fine job. We also take this time to thank Ken Mailloux, Treasurer, Gayle Landry, Tax Collector, and Chuck Bodien Building Inspector, the other individuals who work on a regular basis in the town office.

Our Safety Services – Fire & Rescue Department and Police Department have provided the town with great services and our thanks to Rick Gilman, Fire Chief and all our volunteers in the Department. We hired Frank Jones a retired veteran police officer to fill our part-time Police Chief position on September 3, 2008. In the short time he has been with the Town his long time law enforcement experience and training has been self evident.

The ice storm which struck New Hampshire December 11th brought record power outages and Salisbury saw its share of heavy ice on power lines, trees and branches. Our thanks to Rick Gilman, Fire Chief and Frank Jones, Police Chief for stepping up and taking charge to ensure safety for our town citizens. Also, a big thank you to Bill MacDuffie, Road Agent and his crew for the hard work and long hours they put in during this disaster. The State requested help under the Disaster Declaration for Public Assistance and we are working with FEMA to get some financial reimbursement.

Our thanks to the many local citizens that have volunteered and provided services to the town. A special thank you to Lou Freeman, Joe Landry and Walter Scott who all help with the holiday decorations for the town buildings. Scott Sweatt, of Cousins Electric has provided services at the Maplewood Ball Field to get the well back into service. Jim and Madeline Minard, Chris Bentley and Pete Ballou have all worked with the Cemetery Trustees in the upkeep of our cemeteries.

The Selectmen interviewed and appointed Matt Holmes, Jared King, Anne Breen and Chris Waters to the Recreation Committee who have been very active this year. Please be sure to read their end of year report.

2008 was the last year of our five year contract with Avitar and a revaluation was completed to bring the town up to 100% ratio. In 2008

we received three proposals for a new five year contract. After reviewing the proposals and discussing the pros and cons with all town office staff concerned, it was decided to remain with Avitar as the Town Assessors. We also had requests from some town citizens to have the property assessment information online and are asking town citizens to decide on this issue by way of warrant article vote at the 2009 Town Meeting.

In January 2008 the Board of Selectmen interviewed several individuals interested in serving on the Historic Commission which was established at the 1970 Town Meeting. Kris Fogelgren, Ruth McCandless, Roger Heath, and Sally Jones were appointed to terms on this Commission. Mike Dipre is the Selectman representative. First meeting was held in February, 2008. After several meetings it was learned that the name of the Commission could not be Historic but needed to be changed to the Heritage Commission. Hence, there is a warrant article on this year's warrant to accomplish this change and the Commission can then continue with its goals and objectives.

Pingree Bridge project is moving along with several public informational meetings and public hearings held this past year. We will be moving ahead with the final design phase and hope to have the selection of the contractors to build the bridge in place and the work to begin in the Fall of 2009. Many thanks to VHB for their guidance during this project.

Another successful Old Home Day Weekend. From the Friday evening ice cream social and animal parade, to the usual Saturday events. This type of activity is successful due to many volunteers and we thank all the individuals who stepped forward and helped in 2008. The first meeting of the OHD Committee will be April 16th at 7 PM at Academy Hall and we welcome everyone who would like to help make 2009's Old Home Day a great success.

We hope you take the time to read the departmental reports and perhaps find an area of interest and want to share some time with a committee or event. Everything is connected, no one thing can change by itself.

Respectfully submitted:

Michael Dipre, Chairman
Kathleen Doyle
Joseph Laycox
Salisbury Board of Selectmen

Transfer Station	$ 6,206.60
Total	**$ 455,611.95**

Notes

TRUSTEES OF THE TRUST FUNDS

In 2008 we began the year with NHPDIP rates at 4.98 and finished at only 1.11. Along the way we shifted some money to CDs as we could and finished with an average on beginning year dollars of 2.7% or $28,853. CD investment over the FDIC Insured amount (currently $250,000) are collateralized.

Unfortunately the stock market was not kind to our T Rowe Price Capital Appreciation Fund which finished down 27.2%. We do not intend to sell at a loss, currently our breakeven price per share is 15.29 vs. a 12/31/08 price of 13.95.

This March Dave Hodges completes his 3 year term which he had graciously accepted when unbeknownst to him he was written in by family and friends. We could always count on Dave to ask good questions. He kept us on our toes.

Also, I'd like to thank Shirley Johnson for the time she was able to give us in 2008.

During 2008, Capital Reserve Expenditures were $96,243.60 the largest of which were Pingree Bridge $47,336.77 and Town Revaluations $32,450, while only $2,500 was added to the Transfer Station.

At year end funds were invested as follows:

Checking	$ 2501.30
Bank Savings	2429.93
NHPDIP	571,612.69
Bank CDs	459,976.84
Mutual Funds (Stocks & Bonds – book value)	13,403.87
	$1,049,924.63

Respectfully submitted:
Jeffrey R. McCandless, Chairman and Bookkeeper
David Hodges, Sr.

TOWN OF SALISBURY
INDEPENDENT ACCOUNTANT'S REPORT
ON THE TAX COLLECTOR'S
REPORT (MS-61)

Board of Selectmen
Town of Salisbury
Salisbury, New Hampshire 03268

We have examined the accompanying Tax Collector's Report (MS-61 prepared in accordance with RSA 41:35) of the Town of Salisbury, New Hampshire for the year ended December 31, 2007. This report is the responsibility of the Town's management. Our responsibility is to express an opinion on this report based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the Tax Collector's Report as listed in the first paragraph and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, the report referred to above presents fairly, in all material respects, the activity of the Tax Collector's Report (MS-61) of the Town of Salisbury, New Hampshire for the year ended December 31, 2007, based on the reporting criteria for Form MS-61.

This report is intended solely for the information and use of the management and elected officials of the Town of Salisbury and the New Hampshire Department of Revenue Administration, Municipal Services Division and is not intended to be and should not be used by anyone other than those specified parties.

Sincerely,

Mason + Rich, P.A.

Board of Selectmen
Town of Salisbury
Salisbury, New Hampshire

We have audited the accompanying Town Clerk's Report (cash basis of accounting) of the Town Clerk of the Town of Salisbury for the year January 1, 2007 through December 31, 2007. This schedule is the responsibility of the Town's management. Our responsibility is to express an opinion on the schedule based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Town Clerk's Report is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedules. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall schedule presentation. We believe that our audit provides a reasonable basis for our opinion.

This financial statement has been prepared on the cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than generally accepted governmental accounting principles.

In our opinion, the schedule referred to above present fairly the activity in the Town Clerk's account arising from the cash transactions for the year January 1, 2007 through December 31, 2007.

Respectfully submitted,

Mason + Rich, P.A.

Remarks									

Salisbury Recreation Committee

In 2008 the Recreation Department brought with it a year of progression. Four new members were appointed to the committee, along with long tenured member Chris Waters. Matt Holmes, Anne Breen, and Jared King joined the recreation committee in April and Kathleen Doyle signed on as member / Selectman Ex-Officio.

Taking a look at all areas of the department that needed attention, we focused our efforts primarily on the Maplewood Ball Field. With the generous donations of supplies and labor from Kearsarge Concrete and MacDuffie Construction, dugouts were installed. Much needed tree removal was performed by John's Tree Service. The fields in Salisbury were not immune to the damage caused by the summer storms or recent ice storm. Power lines were taken down on both occasions. Cousins Electric, whom already had donated their time to the fixing of the ball field well, assisted on both power outage incidents in restoring service.

2008 saw healthy participation from the youths in Salisbury, with involvement in many different sports and outdoor activities. There was notable success in the fall soccer program, the Jimmy Fund All Star girl's softball tournament and the Blue Storm football program.

In 2009, we hope to continue with the work needed at the recreation fields and will begin to look into other areas of interests from the citizens of Salisbury. The Recreation Committee would again like to thank Kearsarge Concrete, MacDuffie Construction, Cousins Electric, John's Tree Service, as well as Chris Irving for his work with the youth soccer program and Roy Downes, who puts in countless hours each year maintaining the ball fields.

Respectfully Submitted,
Matt Holmes, Chairman
Recreation Committee

December 2008 - Ice Storm

Center Road

Brookside Drive

2008 HIGHWAY DEPARTMENT REPORT

The 2007 – 2008 Winter had record amounts of snow and it was very expensive to maintain roads. Because of that, we had to conserve as much money as we could from the summer budget to cover winter expenses of November and December 2008.

As a result of that, not much work was done this summer other than some grading and a little bit of gravel. The last section of Whittemore Road was ground up and repaved.

In 2009 we plan to start the grinding and repaving of Warner Road. Also proposed this year is to take $25,000 from the Road Maintenance Capital Reserve Fund to fund general road maintenance for roads within the flood plain area and a warrant article to take $26,800 from the Road Maintenance Capital Reserve Fund to fund the Mill Brook Project and Little Hill Road Project.

Respectfully submitted:

Bill MacDuffie, Sr.
Road Agent

2009 Highway Department Budget Proposal

CEMETERY TRUSTEES
2008 Annual Report

Salisbury's cemeteries faced challenges in 2008, but continued to improve. The Trustees kept the cemeteries closed to traffic until May 1 due to the late snow cover and mud season. This also resulted in a late start on the mowing, but once spring came, it came all of a sudden, and Peter Mason worked diligently to keep up with it. The Trustees have asked him to continue in 2009.

New veteran's grave markers were installed in time for Memorial Day, and more were purchased for installation this spring, as the broken and poor quality plastic markers are being phased out.

Jim and Madeleine Minard did more work this year straightening gravestones, and had help from members of the Heath family. This volunteer work improves the appearance of the cemeteries while saving the town money. There are several stones that are too heavy for volunteers to lift, and Perry Monuments of Concord began that work in the fall. The Trust Fund money to pay for the remaining work has been encumbered so it can be completed in 2009. Improvements to the roads in Maplewood Cemetery will be finished this year as well.

Trustees spent time going over the Cemetery Rules and Regulations and proposing changes. A public hearing will be held on them in 2009. Once the new Rules are approved, signs will be posted at the active cemeteries. Work on updating the maps is also ongoing.

Thanks to Chris Bentley and Pete Ballou for their volunteer contributions. We thank you for your support and look forward to another good year in 2009.

Respectfully submitted,

Rick Chandler (chair), Jim Minard, Zendelle Bouchard

THE FRIENDS OF THE SALISBURY FREE LIBRARY

The Friends of the Library are delighted to report that the renovation and expansion project will be completed for under the budgeted $265,000 that was so generously supported by the town. As is true with any project of this kind, there seems to be an endless list of last minute items to deal with before we can declare it "finished". We hope to be able to close the books on this project by Town Meeting.

One part of the "new" library that will never be completely finished is the brick walkway. Our intention is to add more engraved bricks each year. If you bought one after the walk was installed, then you should look for it to be added this spring. There is still time to get your order in for this year. Just pick up a form at the Library.

The Book Discussion group meets at 7:00 p.m. on the second Thursday of each month and is always happy to welcome new faces. It's very informal and there is no long term commitment. People come and go depending on schedules and whether they've read the book. So, do join us if the book interests you. There are copies available to borrow at the Library.

The Friends of the Library continue to honor the newest members of the community by contributing a book in celebration of the birth or adoption of each new baby in Salisbury. This year we bought 12 "baby books".

Looking to the future, the Friends will continue to support ongoing Library programs for children and families, but now we have the space and the resources to expand these offerings. In addition to two public access computers with internet capability, we have Wi-Fi for those who wish to use their own laptop computers. We have volunteers available to give individual instruction in basic computer skills. Watch for an announcement or call the library if you are interested. What else do people want to see happen? Is there interest in a daytime book discussion group? How about a book club for school aged kids? This is your Library. Let us know what services you would like to see expanded.

Meanwhile, the Friends of the Library look forward to continuing to support community wide events like the Town-Wide Yard Sale, Old Home Day and the Holiday Craft Fair.

Seelye Longnecker, President
Theresa Pilsbury, Vice President
Gayle Landry, Treasurer
Lorna Carlisle, Secretary

Salisbury Free Library

2008 found the library settling into the newly renovated building and what a wonderful space it is. There is now plenty of leg room so that the collection has expanded with new items, without weeding out the old. The library now houses 8,751 books, videos and audios available for your use, with new releases arriving each month. There is space to browse and relax with reading material. An expanded children's section allows plenty of room for little ones to look for books, do a puzzle or just sit and color.

The library is a place of patron activity as the town's people checked out 6628 items in 2008. Salisbury readers continue to take advantage of the interlibrary loan system and this year borrowed over 500 items from other libraries in the state. The summer was an especially busy time at SFL with 27 children participating in the summer reading program. "G'day for Reading" introduced young readers to Australia, kept kids reading throughout the summer and entertained families with a Steve Blunt Sing-along in the Billabong show. Circulation statistics for children's' books broke an all time record in July. Children and their families visit every Thursday morning throughout the year for story time.

More people are taking advantage of the library's high speed internet service. We have 2 computers for public use. The library also provides wireless access so that patrons may work here from their own laptop computers. Know that you can also come to the library to make photocopies or to send a fax.

We issued 81 new cards to patrons in 2008. Was one of them to you? If not, please stop in and visit. Our library is a valuable resource for the people of Salisbury. Visit today.

SALISBURY POLICE DEPARTMENT

I begin my annual report to the Town of Salisbury by expressing my appreciation to the Board of Selectmen, the staff of the Town Office and most importantly to the residents of this fine community for their support and confidence in me following my appointment as your Chief of Police in September of 2008. I also wish to express my gratitude to Troop "D" of the N.H. State Police and the Office of the Merrimack County Sheriff for their professional assistance provided to this department and the Town of Salisbury in the last few months.

The statistical data provided in this report reflects the activity of the Salisbury Police Department from the date of my appointment, September 5, 2008 through the end of the year. Unfortunately, unavailable records *prior* to my tenure do not allow me to report for the entire year. However, the appropriate steps have been taken to ensure that accurate and complete reporting via the Crimestar software program will occur for the years to come.

The period of September to December of 2008 was a rewarding and busy time for the Salisbury Police Department. Accomplishments include, but are not limited to, the complete rewrite of the Police
Policies & Procedures Manual that is compliant with State and National standards, the formation of a Senior Citizen Crime Prevention Committee, the acquisitions and installation of the cruiser safety equipment from the "Project 54 Initiative", greater accountability of Police Department property and equipment, and, to date, more than $10,000.00 in products and services with *no cost* to the taxpayers of Salisbury. These products and services include a video camera recording system for the Police Department, tactical vests, community policing materials, speed enforcement devices, and more. It is my intent as the Chief of Police to continue to access products and services through grants and corporate partnership programs that will continue to provide better law enforcement services. I would also like to add that one of the major community policing events for 2008, "Operation Santa", was a success for the children of many town residents.

I am pleased to report to the taxpayers that a large percentage of the 2008 budget for the Police Department was returned to the town as not being used. Given the current economic situation in the region, I did not request any increases for my 2009 annual budget with the exception of a very modest increase for Police Dispatch services as required by the Sheriff's Office.

Additionally, the appointment of a new patrol officer has permitted a significant increase in patrol coverage for the Town to continue to keep our community safe. In November of 2008, it was a pleasure to welcome aboard Officer Daniel B. Shapiro of Webster, N.H., to the Police Department. He was the top applicant with many years of training, education and experience to bring to the community.

Beginning with the date of my appointment, the following data is reported for the four-month period of service. Please note that arrests and other activity performed by the N.H. State Police is not included:

Alarms:	10	Animal Involved Incidents:	7
Arrests:	4	Arson:	1
Assist Fire/Rescue:	8	Bad Checks:	1
Civil Stand-By:	1	Criminal Mischief:	1
Criminal Trespass:	1	Fingerprinting:	4
Illegal Dumping:	6	Lost/Found Property:	10
Motor Vehicle Accidents:	9	Motor Vehicle Complaints:	11
Motor Vehicle Checks/Stops/Warnings:	43	Motor Vehicle Summons:	7
Other Agency Assists:	10	Other/Miscellaneous CFS:	8
Paperwork Services:	8	Suspicious Persons/Vehicles:	8
Thefts:	6	Welfare Check:	3
911 Abandoned Calls:	4	Pistol Permits Issued:	15

I will continue to ensure that the citizens of the Town of Salisbury receive fair, consistent and professional public safety and policing services to the best of my ability. Please know that I am available to meet with any member of the community that has a concern they wish to discuss with me.

Respectfully submitted:

Chief Frank E. Jones
Salisbury Police Department

2008 Year in Review
Salisbury Volunteer Fire & Rescue

2008 proved to be a challenging year for the Salisbury Volunteer Fire and Rescue. The most intensive incident was the ice storm in December. As many of you know we went on a door to door search to check on residents that did not have power to be sure that you and your family's welfare was in good standing. We were fortunate that our region did not experience a prolonged outage as some of our neighboring towns.

There were numerous calls including OHRV accidents in the flood plains, automotive accidents, and brush fires. Building fires were kept to minimum and thanks to working smoke detectors a possible tragedy was averted in February. The detectors went off in the middle of the night alerting the residents and the fire was contained to one room.

Our biggest challenge is EMS calls. We have a dwindling amount of licensed EMT's and we have become reliant on mutual aid ambulance services to transport local citizens. Here are the problems that this brings to the town.

1. A delay in response to get you the appropriate medical treatment. We live in a rural area and that is a challenge to begin with but to delay treatment can cause many medical issues.
2. Salisbury ambulance does not bill to transport but outside services ***will*** invoice you for the transport. We need people to volunteer and become licensed EMT's or the cost will continue to rise and at some point in time we will have to look into contracting an outside ambulance service.

The EMT-B course is approximately three month's long but that time goes by rather fast. Money is allocated in our training budget for these courses. All that is asked is that you join the department and respond to calls. Last year total number of transports via ambulance was under fifty for our town, that equals one transport a week. Three of four people stepping forward will make a world of difference. Questions? Please call me 648-6640. If I do not answer leave a message and I will call you back.

We train on the 1st and 2nd Monday's of the month and have a business meeting on the third Monday of every month. We start at 7:00 PM and trainings last approximately two hours. We hope to see new people joining the department in 2009.

In closing I would like to thank the Board of Selectmen, Police Chief Frank Jones, Area Fire & Ambulance services, Budget Committee, Margaret Warren, Kathie Downes, and of course the residents of Salisbury for your support.

Respectfully Submitted,

Rick Gilman
Salisbury Fire Chief

Remember Fire Permits are required for outside burnings: Call for permits.
Rick Gilman – 648-6640; Jerry Lorden – 648-2744; Lou Freeman – 648-2724
Josh Nixon – 648-2598; Dennis Patten – 648-2398

REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

Spring fire season lasted unusually long this past year, with very high fire danger stretching into the first week of June. Once again, the rains started to fall during the summer and the fire activity was fairly light for the remainder of the year. The acreage burned was less than that of 2007. The largest forest fire during the 2008 season burned approximately 54 acres on Rattlesnake Mountain in Rumney on White Mountain National Forest property. Another 39 acre fire occurred on Mount Major in Alton during the month of April. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2008 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

CAPITAL AREA MUTUAL AID FIRE COMPACT
2008 ANNUAL REPORT TO BOARD OF DIRECTORS

This report is presented to the Board of Directors of the Capital Area Fire Compact as a summary of general activities for the 2008 calendar year. It is also forwarded to the governing bodies of the Compact's member communities for informational purposes.

The Compact departments provide emergency fire and rescue services, including emergency dispatching, to its twenty member communities. The Compact's operational area is 711 square miles with a resident population of 124,827. We also provide and receive mutual aid responses with communities beyond our member area.

Dispatch services are provided by the City of Concord Fire Department's Communications Center utilizing eight shift dispatchers and the Dispatch Supervisor. Fire and Emergency Medical dispatched calls totaled 21,967 in 2008. We continue to be one of the busiest regional dispatch centers in New Hampshire. The detailed activity report by community is attached.

The Chief Coordinator responded to 152 incidents in 2008, assisted departments with management functions on major incidents, and participated with Chief Officers on mutual aid response planning. Data entry of dispatch information is handled at the Compact's administrative office utilizing a part-time Administrative Assistant. The Chief Coordinator continued to participate on several state and regional committees that affect mutual aid operations.

The 2007 Command Vehicle responds to all major mutual aid incidents and is available to function as a Command Post.

In 2008, the State of New Hampshire suffered heavy damage from severe weather conditions. One of these major events was a tornado that touched down in the Deerfield/Epsom area on July 24th and quickly traveled northerly ending in the Ossipee area. This event caused heavy property destruction and the loss of a life. The other major event was a severe ice storm in December in the southern sections of New Hampshire. Heavy ice damage caused major power outages affecting upwards of 300,000 residents and businesses for many days. These events tested the resources of many public safety agencies, including the Compact. Although many of our member communities were directly damaged, we were able to play a major role in providing personnel and equipment resources during both of these events to other communities. Most of these responses were provided through use of the New Hampshire Fire Mobilization Plan, a response plan that the Compact heavily supports and participates in.

With the aid of Homeland Security grant funding, we continue to move forward toward completion of radio upgrades to digital capability. The installation of a digital capable radio console is in progress at Fire Alarm Dispatch as this report is being written.

The 2008 Compact operating budget was $ 851,282. All Compact operations, including the Chief Coordinator's position, office, command vehicle, and dispatch services are provided through this budget. Funding by the member communities is based on a combination of property
valuations and population.

The Compact Training Committee chaired by Assistant Chief Dick Pistey, with members Chief Keith Gilbert, Chief Gary Johnson, and Chief Peter Angwin assisted all departments in hosting mutual aid training exercises during the year. Mutual aid drills involve several departments and test the system capabilities in fire suppression, emergency medical, mass casualty, rescue, hazardous materials, incident management, and personnel safety. We thank the Training Committee for their continuing support to the Compact.

The Central New Hampshire HazMat Team, representing 55 communities in Capital Area and Lakes Region mutual aid systems continues to train and responds to hazardous materials incidents in our combined coverage area. The team operates under the direction of Chief Bill Weinhold with three response units and will welcome personnel interested in becoming active members. We appreciate and thank the team members for their dedication in providing this important emergency service.

We encourage all departments to send representatives and actively participate in all Compact meetings. Your input is needed on all issues and your members need to be informed of Compact activities and planning.

Thanks to all departments for your great cooperation.

Please contact any Compact officer or the Chief Coordinator if we may be of assistance.

Dick Wright, Chief Coordinator

BUILDING INSPECTOR

During 2008 the following permits were issued:

4	New Houses (including 1 addition of living unit to existing barn)
5	Garages
0	Additions
3	Barns
2	Sheds
2	Alterations
0	Commerical/Business
2	Demolition
7	Other – decks, minor work, etc.
0	Renewal
1	Seasonal cottage (replacements)
Total 26	

Please Note: Building Permits are required for new construction, additions, alterations, new buildings, structures, sheds, barns, moving of buildings, demolition and changes of use. A *Certificate of Occupancy* is required *prior* to use *or* occupancy and is issued by the Building Inspector when projects are completed.

If you currently have a building permit that has expired and your project is not complete or you have not obtained a Certificate of Occupancy when necessary, please contact the Building Inspector promptly to avoid any inconvenience and to discuss your options.

The Building Inspector's office hours are Tuesday evenings, 6:30 PM to 8:30 PM at the Academy Hall (648-2473).

Respectfully submitted:

Charles Bodien
Building Inspector

SUPERVISORS OF THE CHECKLIST

2008 brought a lot of activity for the Supervisors. Four elections bringing out new voters made for busy times at the polls. Harold Patten was elected at the 2008 town meeting for a six year term.

2009 should be a quiet year as we only have the town meeting and school meeting elections. Listed below are the times we will hold sessions, if you are not registered or need to make a change these sessions are for that purpose. The Town Clerk also can accept new voter registrations and of course, you can always register at the polls. When registering, you must provide proof of identity and residence, so be sure to bring a picture ID and something that will confirm you are a resident of the Town of Salisbury. If you are a naturalized citizen, you must bring that documentation as well.

Again, should anyone have questions, we are always happy talk with you.

Respectively submitted:

Roy Downes, Chair
Joan L. Young
Harold Patten
Supervisors of Checklist

Salisbury Supervisors of Checklist - Sessions for 2009& Election Dates

2/23/09	Supervisors hold session for corrections and registrations 7:00 – 8:00 PM at Academy Hall.
2/28/09	Supervisors hold session for corrections and new registrations 11:00 – 11:30 AM at Academy Hall.
3/05/09	Annual School Meeting – MVHS Auditorium – 6:00 PM polls open.
3/10/09	Annual Town Meeting at the Town Hall. Polls open at 1:00 PM. Business Meeting at 7:30 PM.

SALISBURY PLANNING BOARD

The Salisbury Planning Board had a productive year. During 2008 the Planning Board completed a six year Capital Improvement Program (CIP). The proposals in the Plan for 2009 expenditures were forwarded to the Selectmen and Budget Committee for review and consideration.

This year the New Hampshire Office of Energy and Planning created a Housing and Conservation Planning Program (HCPP) to award technical assistance grants to qualified New Hampshire municipalities. Salisbury applied for and was the only town in the state to be the recipient of a Stage IV (the final stage awarded to those who have completed work such as a current Master Plan) grant. The grant has made it possible for us to hire a technical consultant to help us work on addressing our housing and conservation concerns and regulations in an interrelated manner. The work began in September, followed by a public forum in November. The Board encourages residents to attend and participate in additional public meetings to be held in 2009 in preparation for presentation at the 2010 Town Meeting.

The applications approved this year consisted of one lot line adjustment and three subdivisions, creating a total of five new lots.

We would like to express our appreciation to April Rollins for her work as Planning Board Assistant. The Planning Board holds meeting on the first and third Mondays for each month. The public is always welcome to attend these meetings. For the convenience of the public, April is available every Tuesday from 6:30 to 8:30 P.M.

Current members of the Board include Ruth McCandless, Chair; Joe Schmidl, Vice Chair; Anne Ross-Raymond, Member; Doug Grenier, Member; Mike Dipre, Ex-Officio, and alternate members Pat McDonough, Al Romano, Ray Deary and Bob Carr.

Respectfully submitted:

Ruth P. McCandless, Chair
Salisbury Planning Board

SALISBURY ZONING BOARD OF ADJUSTMENT
ANNUAL REPORT - 2008

The Zoning Board of Adjustments met three times during 2008. There were two applications for development which came before the Board.

One application was brought by David & Susan Linares, the owners of a single family residence at 115 Hensmith Road. The Applicant sought to construct an attached garage to their extant house which required bulk variances for the front yard and side yard setbacks. The Board approved the application.

A second application was brought by Thomas Sietz, the owner of a single family residence at 134 Hensmith Road. The Applicant sought a bulk variance for a side yard setback for a pre-existing barn. The Board approved the application.

No other matters came before the Board during the year.

Respectfully submitted,

Arthur H. Garvin, III, Chairman
Salisbury Zoning Board of Adjustment

SALISBURY CONSERVATION COMMISSION

The year 2008 brought new faces to the Conservation Commission. We now have seven full members and two alternate members, with a wealth of knowledge from various occupations. Laura Deming stepped down as chairman, after years of gathering information, speaking to the public, producing maps, and keeping conservation alive in our town. Thank you, Laura for your devotion to conservation and continued membership!

The first order of business was a review of the CC By-Laws. A few minor changes were made and they were accepted by the commission. Copies of official business of the CC, as well as other useful links, may be found at Town Hall on our new bulletin board or on Salisbury's website: http://www.salisburynh.org.

The Town Pound got a face-lift this spring. Small trees and brush were removed, leaves were raked, and the stone wall straightened out. Years ago, this containment area was used to hold stray farm animals, until their owners claimed them. Hundreds of years later, it remains a tribute to Salisbury's history. Thank you to the Friends of Recreation and other volunteers for accomplishing this goal.

The CC had a great booth at Old Home Day this year. Maps of Salisbury's natural resources were on display, as well as photographs of wildlife, taken right here in town. Fish and Game's animal pelts and tracks were a big hit with the kids, as well as the adults, too. We have new ideas for next year's booth, so stop by and say hello!

Members of the CC and trained volunteers continued the water quality monitoring of two sites along the Blackwater River, as part of the state's Volunteer River Assessment Program. Data is recorded every other weekend, from May through September, and is compared with the previous year's baseline data. Changes in the water quality would alert us of potentially harmful changes to the water and its surrounding ecosystems. The Blackwater River remains one of the cleanest rivers in the state, providing wonderful habitat for wildlife and safe recreational opportunities for us all. The results from the monitoring may be found at: http://www.des.nh.gov/wmb/vrap/blackwater.html. Thanks again to those of you who gave willingly of your personal time.

During the months ahead, we will be compiling maps and information of the town's natural resources inventory. Today's economy, along with the lull in housing development, creates the perfect window for Salisbury to decide what it wants to look like in the future. We look forward to working with the Planning Board on their Open Space/Conservation Ordinance.

New for 2009 will be a wildlife incentive program for students at the Salisbury Elementary School. This is an educational program which would encourage children and their parents to provide species-specific wildlife habitat on their properties. It's in the planning phase right now, and we hope to launch the program in the Spring of 2009.

If you have some free time, or are interested in any of the projects mentioned above, please feel free to attend a meeting or contact a member of the commission. We look forward to seeing some new faces!

Respectfully submitted,
Cindy Romano, Chair
Salisbury Conservation Commission

SOLID WASTE/RECYCLING COMMITTEE REPORT

The year 2008 brought new challenges for Salisbury's transfer station. In 2009 it will also present some new opportunities considering the fluctuation in the economy.

We now have a program to handle TV's, computer monitors and other electronics known collectively as E-WASTE. These items are collected in a trailer and then it gets hauled to Londonderry. There is a fee to dispose of any e-waste item. Salisbury's cost for E-Waste disposal was $670. @.10 cents per pound (4 loads). In addition there are fees associated with disposal of large furniture, CFC-containing units such as refrigerators, freezers and air conditioners, etc.

Fluorescent bulbs, NiCd batteries and Styrofoam peanuts are recycled as well. Two PlanetAid boxes are available (right next to the "Mall") for clothing. Many items still in good condition can be placed in the "Salisbury Free Mall" for additional recycling possibilities. We would welcome any volunteers to help clean up and/or organize items in the "Mall". Steve Wheeler is responsible for collecting the fees and can assist townspeople finding the appropriate recycling containers or locations. We try to keep disposal fees for items reasonable and in keeping with both our associated costs and a comparison to other towns.

This year we recycled 147 tons of paper (saved $6747.30 in tipping fees), 2,317 pounds of aluminum and approximately 10 tons of glass. Plastics (#1 & #2) are collected in a trailer and are brought to Merrimack County Home for recycling. We earned approximately $1,450 from aluminum and netted approximately $775 for paper. We recycled approximately 39 tons of scrap metal, making over $7,500 (saved $1790.10). Current tipping fees are $45.90/ton.

The prices on metals, aluminum cans, plastics, paper etc. have dropped dramatically over the last few months. We intend to hold items wherever possible until the prices recover (mainly metals pile). Even when prices are low, we still save money if it keeps items such as E-Waste, paper, plastic, aluminum from the general trash (saves on tipping fees).

Salisbury will continue to look at Single Stream Recycling options. The Co-Op has made a presentation this fall about how a Single Stream facility works and the approximate costs associated with that versus continuing with the current process (separate recyclables and tipping fees for general trash). The Co-Op has used their resources to help offset the rising costs of tipping fees but they feel Single Stream will be a better investment in the long run. There will be future meetings regarding Single Stream as well as the regular Recycling Committee meetings. We encourage everyone to attend and offer suggestions or ask questions as this program involves the entire community. We also appreciate everyone's efforts to recycle.

Respectfully submitted,
Lorna Carlisle, chair, 648-6183 lornacarlisle@yahoo.com

NRRA – A Recycling "Co-operative":
Working Together to Make Recycling Strong!!!

As a member of Northeast Resource Recovery Association (NRRA), your community has access to all the services of this 28-year-old recycling cooperative. Your member-driven organization can provide you with:

- Up-to-date **Technical Assistance** in waste reduction and recycling;
- **Cooperative Marketing** to maximize pricing and **Cooperative Purchasing to** minimize costs (over 30 programs available);
- Current **Market Conditions** and Latest **Recycling Trends**;
- **Innovative Programs** (i.e. Dual Stream, Consolidation and Single Stream)
- **Educational and Networking Opportunities** through our Annual Recycling Conference & monthly Marketing meetings, website and quarterly newsletter;
- **School Recycling Club** - a program to assist schools to promote or advance their recycling efforts.

The membership has grown to include more than 350 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine.

NRRA, as a non-profit organization, is unique in that we do not charge a "brokerage fee" or work to maximize profit gains, but rather has a minimal "Co-op" Fee" which is re-invested into programs to further your recycling programs and solid waste reduction efforts.

Through your continued support and dedication, NRRA has assisted our members to recycle over 68,100 tons in fiscal year 2007 - 2008!

Town of Salisbury
Congratulations for being such active recyclers!

Below please find information on the positive impact this recycling has had on your environment.
The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling cooperative, the Northeast Resource Recovery Association.

Recyclable Material	Amount Recycled in 2008	Environmental Impact! Here is only one benefit of using this recycled material rather than natural resources (raw materials) to manufacture new products.
Aluminum Cans	2,317 lbs.	Conserved enough energy to run a television for 235,778 hours!
Paper	47 tons	Saved 793 trees!
Scrap Metal	39 tons	Conserved 38,804 pounds of coal!

NRRA Telephone # 603-736-4401 or visit our website at www.nrra.net

SALISBURY HISTORICAL SOCIETY (SHS)
2008 Report

The year 2008 proved to be very exciting for SHS: The Society was awarded $2500 from the Robert Findlay Foundation for SHS increase in membership of *300%*, receiving the third place prize out of 100 participants!!

The Museum proudly displayed wedding dresses from five generations of the Sawyer/Twombly family. We believe we are the only museum in all of New Hampshire to have such a display which also caught the attention of the Concord Monitor.

The annual Souper Bowl archive workshop was a winner. 27 dedicated archivist volunteers were able to work on scrapbooks, the 1792 day book, sewing projects, postcard updates, vital statistics, school records--you name it.

A new event was initiated in 2008. The SHS presented its first Cemetery Walk in conjunction with a program on New Hampshire Gravestones. Arthur Garvin, Martha Heath, Laurel Martin, Dennis Melchin and Linda Denoncourt donned period costumes and told the crowd about "members of their families" buried in the Old Baptist Cemetery and about life in Salisbury in the 1700s and 1800s. The walk which was a huge success was again performed for the public at the Old Home Day. The Society was well represented at Old Home Day, which included winning first prize for our float.

SHS hosted the 4th grade Round Robin. Approximately 80 4th graders were in attendance from Andover, Salisbury and Webster. The students toured the museums of each town and met in Salisbury for lunch on the lawn.

Our 2008 programs: New Hampshire Gravestones, A Soldier's Mother Tells Her Story, The Man Among Bears, and Covered Bridges of NH were all well attended. Sixty-five (65) were in attendance at our Chamber Music Scholarship Concert and we were able to award Althea Rosen a $5,000 scholarship this year. A new award was made to a fifth grader in the form of a computer valued at $500. The recipient was Kelsey Belanger. It is our intention to continue with those awards which will again be principally funded by our September Chamber of Music concert.

SHS continues research on Salisbury participants in the Civil War and responses to requests for help with genealogy. SHS is also pleased that the portrait of Daniel Webster on loan to us has now been made permanent.

We look forward to our 2009 schedule of meetings/programs and special events with excitement and hope to see you there!

Respectfully submitted,

Doreen Borden
Secretary

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION
28 Commercial Street Suite 3 ❖ Concord, New Hampshire 03301
❖ phone: (603) 226-6020 ❖ fax: (603) 226-6023 ❖ internet: www.cnhrpc.org

Established in accordance with state law, the Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 communities in Merrimack and Hillsborough Counties. The Town of Salisbury is a member in good standing of the Commission.

The Commission's mission is to comply with State statute by preparing and adopting regional plans and a regional housing needs assessment and by evaluating developments of regional impact, to provide data, information, training, and high-quality, cost-effective services to our member communities, to advocate for our member communities and assist and encourage them in intermunicipal endeavors, and to coordinate our efforts with the other regional planning commissions in New Hampshire.

On behalf of the Town of Salisbury in 2008, CNHRPC staff:

- Provided technical assistance to local officials and citizens, as issues related to land use, transportation, environmental, economic, and general planning.
- Received a grant to create a corridor management plan for the Currier and Ives scenic byway, which runs from the Salisbury-Franklin boundary to the Henniker-Hillsborough boundary.
- Began an update of the town's hazard mitigation plan, paid for by NH HSEM.

In addition to the specific services described above, in 2008 the Central New Hampshire Regional Planning Commission:

- Held four Commission meetings (in February, June, September, and November) with programs including transportation policy in NH, the new workforce housing law, and green building techniques. CNHRPC Commission meetings are open to the public and interested citizens are encouraged to attend. Please refer to the calendar on our website for upcoming meetings and events.
- Coordinated workshops related to Planning Board process, land use/transportation planning issues, and Innovative Land Use techniques and hosted APA audioweb conferences.
- Conducted over 200 traffic counts throughout the region and analyzed accident and other NH DOT data.
- Adopted a new Regional Transportation Plan and a Coordinated Transit Plan.
- Coordinated meetings of the CNHRPC Transportation Advisory Committee (TAC). The TAC:
  - -- Renders technical advice to the CNHRPC regarding transportation plans, programs, and projects;
  - -- Evaluates and ranks application for the Transportation Enhancement (TE) and Congestion Mitigation and Air Quality (CMAQ) programs. Each program is competitive statewide with more than 3 million dollars in federal funding per year for the TE program and 7 million for the CMAQ program.
  - -- Evaluates and ranks projects within the Regional Transportation Improvement Program (TIP). The Regional TIP provides an avenue for projects to be considered for inclusion within the Statewide 10 Year Transportation Improvement Plan which is the guiding document for all major highway improvements on state roads.
  - -- Reviews and recommends adoption of the Regional Transportation Plan.

- Provided continuing technical assistance to the Upper Merrimack River Local Advisory Committee (UMRLAC) and the Five Rivers Conservation Trust.
- Through the N.H. Department of Environmental Services Regional Environmental Planning Program [environmental planning support to the nine regional planning commissions], 2008 REPP work items included editing and producing the first volume of an Innovative Land Use Techniques handbook and assistance to member communities in adopting ILU techniques.
- Through the N.H. Office of Energy and Planning, utilized Targeted Block Grant funds to update the CNHRPC Regional Housing Needs Assessment, to update the GIS system, and to provide technical assistance to local officials and communities.
- Prepared numerous grant applications for the region as a whole and on behalf of member communities, including EPA Brownfields/petroleum grants, local source water protection grants, HCPP (Housing and Conservation Planning Program) and "moose plate" grants, and Safe Routes to School grants.
- Updated our website to provide better access to land use, environmental, transportation, GIS, and other data.
- With the financial support of Concord 2020, developed and implemented an alternative transportation service "PATH" – Program for Alternative Transportation and Health – which encourages and provides incentives for people to rideshare, bicycle, walk, or take transit to work.
- On behalf of the New Hampshire Association of Regional Planning Commissions, with the generous financial support of New Hampshire Housing, NH Department of Environmental Services, CDFA, and NHARPC, planned and held the 2008 Fall Planning and Zoning Conference at Loon Mountain.

For additional information, please contact the CNHRPC staff or visit us on the internet at www.cnhrpc.org.

UNH Cooperative Extension Merrimack County

UNH Cooperative Extension, the public outreach arm of the University of New Hampshire, has engaged New Hampshire residents for 94 years with a broad variety of non-formal educational offerings. One in four Merrimack County residents took advantage of at least one Extension program last year.

We offer programs in parenting, family finances, food safety, home gardening, 4-H (including clubs, camps, special interest programs and after school programs for children and teens), nutrition education for low-income families, and acculturation for refugee families. We respond to the needs of forest landowners, commercial farmers, niche growers, farmers' markets, and many other groups.

Merrimack County Extension educators also work extensively with towns and school districts, organizing and advising after-school programs, helping school and town groundskeepers maintain athletic fields, landscaped areas, and town forests. We provide guidance to community boards on current use, timber tax law, and other land-use issues. We also help social service agencies plan programs and stay current with the latest research and best practices.

Our county staff participate—and sometimes take leadership roles—in many state and local coalitions, among them the Franklin and Concord Asset Building Coalitions, the Concord Substance Abuse Coalition, the Timberland Owners Association, N.H. Farm and Forest Exposition board, Ausbon Sargent Land Trust outreach committee, N.H. Association for Infant Mental Health, the state Marriage and Family Advisory Board, the N.H. Volunteer Administrators Association, and Pittsfield Youth Workshop.

Merrimack County Extension provides fact-sheet notebooks to all town libraries and our educators often appear on WPTL Radio (107.7 FM), which offers information to residents throughout the station's listening area.

UNH Cooperative Extension operates a statewide toll-free Info Line (1-877-398-4769) at our Family, Home & Garden Education Center, staffed Monday through Friday, 9:00 a.m. – 2:00 p.m., and 5:00 p.m. to 7:30 p.m. on Wednesday evenings. Last year, the Info Line handled nearly 700 requests from Merrimack County residents.

Finally, UNH Extension trains and supports more 5,000 volunteers statewide: 4-H leaders, master gardeners, wildlife coverts, community tree stewards, water quality monitors, marine docents, and others, who extend the reach of Extension programs into many domains of New Hampshire life. If volunteer opportunities interest you, please call Merrimack County Extension Office at 225-5505 or 796-2151, or stop by the office at 315 Daniel Webster Highway in Boscawen next to the County Nursing Home on Route 3.

Extension also distributes a wide range of information from our Web site: **www.extension.unh.edu.**

Franklin VNA & Hospice

Salisbury Town Report 2008

The Franklin VNA and Hospice continues to provide quality home health care services to the residents of Salisbury. It is an honor to serve our neighbors and their families when they are in need of professional health care provided in the comfort of their homes. In the past year we have made 416 visits to residents of Salisbury, and have logged 64,161 miles agency-wide. We have provided blood pressure clinics and flu clinics to support the disease prevention efforts of our neighbors. We are committed to providing excellence in patient care.

Our Hospice program continues to grow in our communities. This year we contracted with Mountain Ridge Genesis Nursing Home to provide Hospice care to some of their residents who meet hospice criteria. We have really enjoyed getting to know their staff and have collaborated to explore ways to work together to meet the patients' care needs. We hope to expand our nursing home contracts to other area facilities.

In 2007 we applied for and received a grant from Franklin Savings Bank to upgrade and expand our HomMed telemonitoring program. This summer we were able to complete that process by purchasing a new monitor operating system and leasing 7 new units to place in patient homes. This allows us to provide an efficient method of assessing fragile patients in their homes daily without making an extra nursing visit. We have been able to prevent hospitalization of several patients and picked up on impending changes in others. This is an effective use of technology as an intervention in home care. In the past year we have provided home monitoring for 29 patients.

In January of 2008 the Centers for Medicare and Medicaid significantly changed the tools used to assess the patient, the formulas applied to those assessments which determine the payments we receive, and many of the codes used to convey the nature of the patient's diagnosis and, therefore, severity of illness. It has taken several months to get accustomed to these changes and we are now seeing the impact on our financial picture. We experienced a 2.73% Medicare cut in 2008 and we will see another 2.73% cut in 2009. Our challenge is to increase the numbers of patients taken under care, accurately assess them and provide for their care needs efficiently in an effort to offset the reimbursement cuts we have received. We are currently enjoying a fully staffed clinical team who demonstrate the highest level of commitment and caring. We are blessed to have them and the support staff who keep our agency running smoothly.

Salisbury is represented on our Board of Directors by Sally Jones.

SALISBURY TOWN MEETING MINUTES
MARCH 11, 2008

The polls were declared open at 1:00 PM with Moderator John Herbert presiding. The Business meeting was called to order at 7:30 PM. Moderator Herbert introduced Rev Rush, pastor of the Salisbury Congregational Church and at this time an invocation was given.

Moderator introduced Rose Cravens who spoke on behalf of the Historical Society. Ms. Cravens explained that the Robert and Karin Finlay Foundation of NH has generously pledged $75,000, $25,000 to one each of the following NH institutions with the largest increase in new memberships; one library; one museum; and one historical society. The Salisbury Historical Society hopes you will help the Society to grow its new membership as they compete in the challenge for the $25,000.

Moderator Herbert went over the rules of order and a motion was made and seconded to accept these rules. Vote in the affirmative. Motion made and seconded to keep polls open until end of business meeting. Vote in the affirmative.

1. To choose the following Town Officers: Moderator (1 for 2 years), Selectman (1 for 3 years), Town Clerk (1 for 3 years), Tax Collector (1 for 3 years), Treasurer (1 for 1 year), Supervisor of Checklist (1 for 6 years; 1 for 2 years), Road Agent (1 for 3 years),Library Trustee (1 for 3 years), Trustee of the Trust Funds (1 for 3 years), Planning Board (2 for 3 years), Cemetery Trustee (1 for 3 years,), Budget Committee (3 for 3 years & 1 for 1 year), Zoning Board (2 for 3 yrs).

Results from Official Ballot:

Moderator: (1)	*John W. Herbert*	*414*
Selectman: (1)	*Joseph Laycox*	*239*
	Ken Ross-Raymond	*223*
Town Clerk: (1)	*Dora L. Rapalyea*	*442*
Tax Collector: (1)	*Gayle B. Landry*	*433*
Treasurer: (1)	*Kenneth A. Mailloux*	*421*
Road Agent: (1)	*William D. MacDuffie*	*250*
	Chris Bentley	*222*
Library Trustee: (1)	*Michelle Carr*	*418*
Cemetery Trustee: (1)	*Richard Chandler*	*413*
Trustee of Trust Fund: (1)	*Shirley Johnson – write-in*	*42*

Planning Board: (2)	*Anne Ross-Raymond*	*283*
	Joseph Schmidl	*352*
Supr of Check List: (1) (6 yrs)	*Harold Patten*	*338*
Supr of Check List: (1) (2 yrs)	*Joan Young*	*413*
Budget Committee: (3)(3 yrs)	*Mary Heath*	*413*
	Sara W. Jones	*379*
	Edward Sawyer	*393*
Budget Committee: (1) (1 yr)	*Joseph Landry*	*387*
Zoning Board: (2)	*Rose M. Fife*	*359*
	Dennis Melchin	*359*

2. Are you in favor of the adoption of an amendment as proposed by the Planning Board for the Town Building Code as necessary to comply with requirements of the National Flood Insurance Program? By adopting the amendments, our community will remain eligible to participate in the National Flood Insurance Program. [Note: Once FEMA and OEP notify the municipality of the final effective map date the first paragraph of the code will be updated to reflect this date]

Results from Official Ballot: *408 Yes* *55 No*

3. Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town zoning ordinance regarding Home Occupations?

Results from Official Ballot: *205 Yes* *219 No*

And to act upon the following subjects at the Business Meeting at 7:30 PM:

4. To see if the Town will vote to raise and appropriate the sum of 1.5 million dollars for the replacement of the Pingree Bridge, and to fund this appropriation by authorizing the withdrawal of up to $57,000 from the Pingree Bridge Capital Reserve Fund, and authorizing the issuance of not more than $1,443,000 in bonds or notes in accordance with the Municipal Finance Act (RSA 33), and further to authorize the Selectmen to issue and negotiate such bonds or notes, and to determine the rate of interest thereon. 80% of the cost of this project (1.2 million dollars) will be reimbursed to the town from State Bridge Aid, with the Town to be responsible for the remaining 20% ($243,000). [2/3 ballot vote required]. (The Selectmen recommend this appropriation. The Budget Committee recommends approval of this article).

Motion made by Ken Mailloux and seconded by Walter Scott to accept the article as read.
Discussion:
Selectman Dipre explained that the replacement of the bridge is a two year process. The first year being the engineering and second year the building of the bridge. The vote tonight is to authorize the borrowing of up to $1.5 million dollars, with the town's share being 20% of the cost of the project. Interest rate on money borrowed will be 4.5%.
Rick Chandler asked when town expects it will begin to borrow towards the project. Selectman Dipre stated the engineering process requires 50% up front with the remaining 50% at the end of project.
Sandy Miller inquired to the length of the loan – Dipre responded no set timeframe has been defined – could be 10 to 20 years.
Gerry Burgess asked if it is a fixed or adjustable rate – Dipre responded fixed.
Dawn Platt inquired re: cost to maintain the bridge to meet state inspection requirements should this article not pass – can state require this be done by a certain time. Selectman Dipre responded that if the replacement project does not occur the town is responsible by law to maintain the bridge.
Lou Freeman asked how much money is in the CRF for the Pingree Bridge – response is $57,472.
Lorna Carlisle asked if to get matching funds – does the bridge have to be built to certain standards. Dipre responded that we must preserve the current bridge – due to its historical aspect. Chris Bentley noted there is a state standard – tonnage rating. He also noted that he had looked into a Bailey Bridge – which was costly and wouldn't really solve the problems we have with current bridge. He feels this replacement project should happen – don't wait for a better time it will cost us more money.
Selectman Ross-Raymond noted that all options regarding the replacement process will be presented at public hearings in the future.
Dawn Platte asked if the current load limit will accommodate a fire truck or emergency vehicle. Fire Chief Gilman responded that the large engine is already overweight for that bridge.
Rick Chandler noted that the budget committee does recommend this warrant article.
2/3rd vote required [108 votes – 72 needed to pass]. Per RSA Polls kept open one hour.
Results from Ballot Vote: 98 Yes 10 No Vote was in the affirmative.

5. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars ($2,500) to be added to the Transfer Station/Recycling Capital Reserve Fund established in 2002. (The Selectmen recommend this appropriation. The Budget Committee recommends approval of this article).

Motion made by Ken Mailloux and seconded by Walter Scott to accept the article as read.

Vote was in the affirmative

6. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars ($5,000) for the purposes of Emergency Lighting at Academy Hall and Town Hall and to fund this appropriation by authorizing the withdrawal of up to Five Thousand Dollars ($5,000) from the Town Buildings and Grounds Capital Reserve Fund established in 1972 and renamed in 1992. (The Selectmen recommend this appropriation. The Budget Committee recommends approval of this article).

Motion made by Walter Scott and seconded by Ken Mailloux to accept the article as read.

Vote was in the affirmative

7. To see if the Town will vote to raise and appropriate the sum of $1,925 for deposit in the Cemetery Maintenance and Operation Trust Fund established in 1995, and to fund this appropriation by authorizing the transfer of that sum from the town's undesignated fund balance (surplus) as of December 31, 2007. This amount is equivalent to the proceeds received by the town during 2007 from the sale of eleven rights of interment. (The Selectmen recommend this appropriation. The Budget Committee recommends approval of this article).

Motion made by Ken Mailloux and seconded by Walter Scott to accept the article as read.

Discussion: Selectman Dipre stated that this is to allow the town to utilize the money received from sale of rights of interment for cemetery maintenance. Jeff McCandless reiterated this vote should have taken place every year since the fund was established in 1995. The vote is so the town can decide if they want to use this money for cemetery maintenance and needs to be done each year.

Vote was in the affirmative

8. To hear the reports of the Officers of the town, agents, auditors and committees appointed and pass any vote relating thereto.

Motion made by Walter Scott and seconded by Ken Mailloux to accept the article as read.

Vote was in the affirmative

9. To see if the Town will vote to raise and appropriate the sum of $ 1,006,283. which represents the operating budget recommended by the budget committee. This sum does not include the amounts appropriated in special or individual warrant articles in this warrant.

Motion made by Ken Mailloux and seconded by Walter Scott to accept the article as read.

Vote was in the affirmative

10. To transact any other business that may legally come before this meeting.

Selectman Dipre noted the following:
Renovations of Library are near completion. Anyone who has not taken the opportunity should visit the Library. Thank you to the Friends of the Salisbury Free Library for all their hard work – to Bob Irving and all the town contractors who worked on the renovations.

Thank you to Chris Bentley, Road Agent for the past three years for his hard work – especially during a period when we experienced some extraordinary weather events.

Thank you to Ken Ross-Raymond for the past three years he has served as Selectman.

Thank you to all the Election officials who work so diligently at all elections and especially today and this evening.

Thank you to the Friends of the Salisbury Free Library for the wonderful turkey dinner prepared for the election officials tonight.

Thanks to everyone who volunteers to help out the town. And a reminder to anyone who is looking to help with town activities we have several avenues open:

- *Conservation Commission has two positions opening up in April*
- *Planning Board looking for people interested in serving as alternates*
- *Recreation Committee has two positions available*
- *Fire / Rescue always looking for volunteers*
- *Old Home Day Committee needs interested citizens to step up to keep this event alive. Nancy Hayden has chaired this committee for two years and must step down – so interested individuals should contact the Selectmen's office. Without some volunteers this long time event might disappear.*

Joe Landry noted that Sandy Miller who has served the town on the budget committee for many years should be recognized and thanked for her many years of service.

There being no further questions or comments motion made and seconded to adjourn.
Meeting was adjourned at 8:30 PM.

Respectfully submitted:

Dora L. Rapalyea, C.M.C.
Town Clerk
